

Mazette

This typeface has been designed to be optimal in large body sizes.

Mazette is a modern display typeface with a distinctive elegant look. Inspired by the refined forms of a nineteenth century Didot, Mazette adds the freedom to break the contours in the manner of a stencil font. Its sharp construction logic and great readability make it an ideal display font for publishing or branding.

Alice was beginning to get very tired of sitting by her sister on the bank, and of having nothing to do: once or twice she had peeped into the book her sister was reading, but it had no pictures or conversations in it, 'and what is the use of a book,' thought Alice 'without pictures or conversations?' So she was considering in her own mind (as well as she could, for the hot day
